

Monave Mineral Cosmetics

Prop 65 Declaration

Monave cosmetics do not contain any of the ingredients on the Prop 65 list, with the exception of silica.

Silica is used in the Concealer Foundation formulas, the Economy Foundation (Cashmere) Foundation formula, and is also present in Sandra Loose Mineral Foundation.

These formulas can be custom made without silica upon request, subject to custom product minimums.

All other products are free of any of the prohibited ingredients on the list.
